

# SAT Practice

You should have received an email from me through Khan Academy SAT Practice two nights ago, you need to sign up and allow me to be your coach.

You also should have received a REMIND text to tell you to do so, if you did not, make sure that you sign up for the class REMIND (text @glawetrig to 81010).

Another way to join Khan Academy, once you create a username (using CPS email) at <https://www.satpractice.org>, you should click their username at the top right, choose "Profile," and go to your profile's "Coaches" tab. There, you should enter your class code under "Add a coach."

Class Codes:

3<sup>rd</sup> – QBPEMW

5<sup>th</sup>- S2UCBeE

6<sup>th</sup>- ZN4U9S

# SAT Practice

You should also sign up for College Board (using CPS email) if you have not done so already. Once you sign up for Khan Academy and College Board, your accounts should link and your PSAT and/or SAT scores should link as well. This will allow you to have practice over the topics of types of questions that you missed on your PSAT/SAT.

If we go on strike, I expect you to log on every other day for at least 30 minutes and practice SAT math questions.
